

KOMODO CRUISES

Charlie

Charlie

The Charlie is a 18m/59ft custom made live-aboard catering up to 10 passengers in 3 air-conditioned cabins for 2 persons with bathrooms And toilets attached and one air-conditioned four-bed dorm with outside toilet and shower. On the top deck, a living room and library are at your disposal, equipped with a stereo, TV and DVD player allowing you to immediately view your videos and pictures.

A spacious dive deck in the back provides easy access to tenders and dive sites. Charlie carries 14 tanks, 2 Bauer Mariner Compressors and nitrox is available on request. Because safety on board is our main concern, the vessel is fitted with all internationally required safety equipment.

Charlie is perfect for small groups who would like to charter this discount live-aboard and make up their own itinerary. We'll take families with children to the most amazing beaches and snorkel areas, photographers or video makers to shoot their favourite subjects... You decide which is Charlie's next destination.
